We take pride in being able to play the shit out	EmArcy 9867710 [CD]
Everything has its own time	-
Music is music, that's it	-
The music is like a journey	-

Writing for big bands is like going home -
 Insecurity is the secret of eternal youth -1 -
 Music is a very personal thing, strictly individual -
 If the blues was whiskey,
 I would stay drunk all the time -
 We get our kicks from playing -
 There is nothing to me. It's just the band -
 I sincerely believe in jazz -
 I helped to kill the dance business -
